Who are more thrifty= Men or Women?

Some say that women are more thrifty than men. We do not know about this. It is very much like say. ing that women are more honest than men. Nobody knows, and we don't think such-questions as these will

ever really be decided. The thrift proclivity is not influenced by anything that is peculiar to either sex, in our opinion.

Any man or woman with a brain and a backbone can be thrifty. Any thinking person can see the de sirability of being thrifty, and any person with vim and self-control can be thsifty—man or woman, boy of
